

THE CHRISTMAS JOURNEY

A walking tour through the events that both foretold and fulfilled the birth of Jesus. Presenting a historical, Biblical account of the birth of Jesus.

Visitors will begin their journey at King Cesar's palace where a census has been decreed, and you too, must pay your taxes and make a long journey back to your homeland. On your journey you will pass Zachariah and Elizabeth who are expecting their own baby- the cousin of Jesus. Then you will encounter lowly shepards seeking the birth of the savior, scary Roman soldiers, and the Inn where Mary and Joseph left just minutes ago seeking a room. As you continue your journey, you will pass the stable where baby Jesus has just been born. Later, you will enter the temple where Jesus has just been held by Simeon and Anna to fulfill another prophecy. And, at the end of your journey, you will run into the three wise men on the trail to see the gifts they have brought for Jesus.

This tour is a performance where you get to interact with the cast and be a part of the actual moments surrounding the birth of Jesus. There will be fires, hot cocoa at the Inn, merchant stands to make jewelry, live animals, and so much more! While visitors are not participating in the live tour, we will have a petting zoo, hay rides, and a warm chili dinner for the whole family to enjoy.
